

We help children's wishes come true.

July 15, 2008

Adjusters Association of Spokane
Attn: Mark Schafer
PO Box 9429
Spokane WA 99205

Dear Mark & Kim,

On behalf of the Wishing Star Foundation, I want to thank you and the Adjusters Association of Spokane for the generous donations from your golf tournament. You raised \$2707 for Wishing Star! This includes the \$500 donation from Brad Paluck, from Portland. Your story touched his heart. I met with Pat Cummings from Capstone today. He told us that he was very impressed with your opening your heart in sharing Maddie's story. He is considering building a playhouse for us next year.

Donations of time, talent and treasures from people like you are allowing us to expand our services to families and children. We are in the process of serving our 1130th wish family. Wishing Star is celebrating 25 years of putting smiles on the faces of families and children. We believe that what we do best is provide joyful living in the moment for families suffering through the adversity of illnesses. These joyful moments create wonderful memories that live on forever. What would our lives be like without happy memories?

Thank you again for all you do to share our mission.

Wishing the world a better place for children,
